SUMMARY

Applied Bachelor's graduate in E-Commerce Logistics with hands-on experience in IT support, software troubleshooting, application testing, and web application maintenance. Familiar with hardware maintenance through personal hands-on experience, including laptop disassembly, RAM/SSD upgrades, Wi-Fi card replacement, and thermal paste replacement. Fast learner with strong problem-solving skills and a strong interest in hardware, software, and technical troubleshooting.

PROFESSIONAL EXPERIENCE

PT Pristine Prima Lestari - Tangerang Regency, Indonesia

IT Intern (March - July 2025)

- Provided basic IT support and troubleshooting for office hardware, software, peripherals, and connectivity issues, including resolving a PC-to-printer connection problem.
- Developed and maintained the company's website and recruitment portal using Laravel, PHP, and MySQL.
- Performed application debugging, testing, maintenance, and feature enhancement based on user feedback and operational requirements.
- Collaborated with internal departments to identify technical needs and provide practical solutions.

PT Global Loyalty Indonesia - Tangerang, Indonesia

Product Operation Intern – Quality Assurance (August 2025 – January 2026)

- Performed manual and functional testing of Alfagift mobile application features based on business requirements.
- Identified, documented, and tracked software defects using Jira and collaborated with developers to support issue resolution.
- Validated REST APIs using Postman and verified application data using DBeaver, MongoDB, and Redis.
- Prepared user guides and operational documentation for internal teams and end users.

PT Samanasoft Inovasi Persada - Tangerang Regency, Indonesia

Web Development Part-time (June - July 2024)

- Developed and enhanced website features based on client requirements.
- Assisted with feature implementation, troubleshooting, and technical documentation.

Rendy Audio - Tangerang, Indonesia

Technical & Retail Operations Assistant Part-time (2017 – Present)

- Supported daily technical and retail operations involving automotive audio equipment.
- Assisted technicians with audio system installation/removal and equipment preparation.
- Assisted customers with product selection and basic technical inquiries.
